FORTY-SEVENTH YEAR | Uncle Sam Needs You—Buy Defense Bonds | CANYON, TEXAS, THURSDAY, MARCH 19, 1942 | Uncle Sam Needs You—Buy Defense Bonds | NUMBER 2

AAA Group Looks at 1942-43 Programs

Changes Made Regarding Storage and Other New Regulations Announced

The Triple A committeemen of Randall county met Tuesday to consider a number of matters in connection with the Farm Program. Several matters of importance to farmers in Randall county in both the 1942 program and the docket for 1943 were discussed. Information regarding the 1941 wheat loans had just been received from the State office of the Triple A.

The local committee was informed that all 1941 wheat and barley loans will become due April 30, and if not paid on or before that date, title to the grain will pass to the Commodity Credit Corporation and none will go into a pool as was the case in former years.

It was announced that, in case loans on wheat are made this year, all farm storage loan rates will contain 7 cents per bushel for storage. In other words storage will be paid in advance at time of making the loan, on all farm stored grain as was done in the case of barley loans last year.

This is being done in order to encourage the storing of grain on farms to relieve the railroads and elevators of as much pressure as possible during the rush of harvest. It is expected that a shortage of storage space will be almost certain all over the winter wheat belt if present crop prospects materialize.

The recommendations of the local committee for the various provisions of the 1943 program were discussed at the meeting Tuesday. These will be completed at an early date and forwarded to the Texas State office.

4 Candidates In City Election

Mayor Jarrett, Commissioners Orton, Foster to Run; B. F. Oatis as Independent

Four candidates have filed for the city election which will be held on April 7.

Mayor C. H. Jarrett authorized friends to announce his candidacy for re-election. Considerable city improvement work is underway, and Mr. Jarrett was urged to stay on the job until this work was finished.

Commissioners S. B. Orton and Robert W. Foster announced for re-election Tuesday.

Friends of B. F. Oatis filed his name as a candidate for a member of the commission Tuesday. "I did not know this petition was being filed," stated Mr. Oatis. "I did not ask for the job, but if elected will do my best."

County Group in Discussion Work Now in Progress

A general review of work being done by the various organizations of the county was given Saturday afternoon at the meeting of the Randall County Coordinating Council in Thompson Club Room.

Mrs. T. M. Moore, representing the Methodist Church, told of the Red Cross work that members are doing, and of the study of Democracy in America, made by the Women's Society of Christian Service.

Each member of the Ralph Home Demonstration Club is making a First Aid Kit, announced Mrs. Simon Elliott. The kits will be exhibited later. The Club has been studying First Aid and Food for Defense.

Mrs. T. H. Knighton, chairman of the Council, distributed bulletins on diet to the representatives to give to their respective clubs. These bulletins were furnished by the American Association of University Women.

The president also announced that the next meeting of the Council will be April 11, when Miss Grace Sloan Overton, who will be principal speaker at the W. T. conference on marriage and family relations, will be guest speaker.

Other reports were given by Mrs. P. L. Walters, Community Chest and Edgetown H. D. Club; Mrs. J. C. Dowd, Social Pioneers; Mrs. Joe Black, Presbyterian Church; Mrs. C. M. Ford, Parent-Teachers Association; Mrs. Levi Cole, Sue Hite Club, and Mrs. A. K. Knott, Council secretary.

Stamp Plan Will Be Put Into Effect on April 1

Randall county is getting ready to participate in the stamp plan under the Surplus Marketing Administration. The plan will be effective in Randall and 10 other Panhandle counties on April 1.

Instead of being given commodities at the local office, those who are eligible for commodity aid will be given stamps, which they will use at local grocery stores.

Mrs. Velma Lyons states that eligible families are being certified through her office, and that all details of the plans will be worked out by April 1.

Red Cross Sewing Room Has More Material

Mrs. George Melton, chairman of the Red Cross Sewing Room, announced this week that additional material has been received at the sewing room on the west side of the square.

Canyon citizens are requested to check garments from the sewing room in order that the county may continue keeping up with its quota. So far work has been in on time.

Miss Alice Smith has returned to Canyon after spending the winter teaching in a private school on the Birmingham Ranch near Hot Springs, N. M. She is staying here with her sister, Mrs. Maggie Tinnin.

Mr. and Mrs. H. P. Doughty of Bivins Station were here Sunday visiting her mother Mrs. M. Lucile Davault. It was Mrs. Davault's birthday.

Weather Swell In Spite of Sudden Changes 2 Days

The Panhandle has had all kinds of weather during the past week.

Even with a small touch of spring, old timers say there never has been such perfect March weather as enjoyed this year.

Sunday morning was beautiful, with the sun shining. During the afternoon a brisk wind came up from the west, changing to the north, and a little snow fell. About all the snow amounted to was to make mud balls, messing up show windows and cars.

Another such freak developed Tuesday morning when snow fell for a short time, and the wind came in from the north. By noon the sun was shining, and the temperature moderated.

There has not been a single dust storm of consequence so far this winter. From all indications, the growth of wheat, weeds and grass will hold dust to a minimum this spring.

Applications Will Be Taken For Aid Each Third Monday

According to new regulations set up in the Welfare Office, 1403 Fourth Avenue, applications for Old Age Assistance, Aid to Dependent Children and Aid to the Needy Blind will be received only on the third Monday of each month, which will make the next date, April 20.

Each Tuesday Mrs. Rubye Cochran, local field worker, will be at her office at the above address to discuss matters with all regarding applications, but these days are set aside for receiving information only.

All are sked to observe these new regulations.

Capt. W. E. Lockhart To Fort Sill

Captain W. E. Lockhart will transfer today from Camp Wolters at Mineral Wells to Fort Sill, Okla. He is auditor in the army and the change is a promotion, Fort Sill being a larger post of duty.

Captain Lockhart left Canyon in January, 1941, in command of Company F. He was transferred to the command of Co. L before being transferred to the auditing department.

Umbarger Knights of Columbus Active

The Umbarger Council of the Knights of Columbus purchased their first defense bond this week, buying a $100 Bond. A special fund is being set aside for this purpose.

They are also taking active part in Red Cross work.

Do your shopping in Canyon.

Museum Work Goes Ahead

Annex to Randall Hall Is Taking Form—Drives Will Be Hard-Surfaced

Local labor and materials largely obtainable in this area are being used in a rather intensive building program at West Texas State College. Native stone is a favorite material. Workmen are preparing the forms for the second, or top floor, of the Panhandle-Plains museum. With good weather, rapid progress will be made on this "people's university." Not only will the museum be nearly doubled in size, but its uses will be multiplied by this two story addition. Included will be a small auditorium, where illustrated lectures will be given frequently by college faculty members and distinguished visitors. A valuable collection of art objects will be received from Judge James D. Hamlin of Farwell when the present construction is completed.

An interesting exhibit in the museum art room next month will be the annual Panhandle-Plains Salon of Photography. This will be shown from April 1 to April 15. The deadline for submission of prints to Olin E. Hinkle, salon director, is March 29.

Across the street from the museum, workmen are laying stone for the large annex to Randall Hall, the nation's largest cooperative dormitory for girls. It is likely that this will be completed in time for fall enrollment. The unit includes a large dining hall.

Hard-surfacing of campus streets and drives is going forward. Topping will begin about April 1.

Starting of construction on the new science building allowed by the last session of the legislature is still regarded as a possibility. Plans have been drawn to provide for a minimum of critical materials. Demands upon college science departments for trained men and women make this building highly desirable.

Annual Dairy Feed Will Be Held on Friday, March 27

The Randall County Dairymen's Association will hold their 14th annual banquet Friday evening, March 27 at 8:30. The date for the banquet was decided at a called meeting Tuesday night.

Albert Byars, president of the association, appointed the following men to arrange for the annual dinner and to sell tickets to the dairymen and their friends: H. R. Fulton, Earl Burtz, John H. Wright and Albert Brown.

The members of the dairy association are trying hard to meet the demands made on them for increased production of milk to meet the war needs. All of the dairymen are making a desperate effort to increase production in spite of the fact that increased production in the past has generally meant a cut in the price of milk on the market.

They have learned from hard experience that a little too much milk produced has often been the cause of a loss in operation instead of a profit. However, they now realize that it will be next to impossible to produce too much during the war and they are revising their production plans to meet the war emergency.

Ted Ratcliff, dairy inspector for the Amarillo and Canyon public health service, in making a plea to the producers in the meeting Tuesday night, pointed out the great need for increased production and some of the handicaps confronting the dairymen. He stated that it takes longer to produce a dairy cow than it does to produce a battleship.

Preston Springer Is In Australia

Word was received here last week that Preston Springer, formerly of Canyon, is with the fighting forces in Australia. He left California on January 11th, and this is the first his family has heard from him since that date.

Springer said that he is "o. k.," but for his friends to keep their "fingers crossed." His address is: Preston H. Springer (38066316), A. P. O. 501, care Post Master, San Francisco, Calif.

Word came yesterday that "Pret" had received a fractured shoulder bone and would be in the hospital for some time.

MARRIAGE LICENSE

Edward Ray Read and Miss Ardath Ann Cofer, March 16.

Miss Mary Zachry of Amarillo spent Friday night here as the guest of Miss Jaunita Foster.

National Lottery Lines Men Up in 3rd Registration

The national lottery for men who registered under Selective Service on February 16 was held Tuesday. Randall county has 486 men registered.

The first number drawn which affects Randall county was 441. This is the number of Paul Maurice Lawson, 2906 Fillmore St., Amarillo. Mr. Lawson is 41 years of age and employed by Pinkney Packing Co.

The master list of numbers drawn will not be received by the local board for several days. As soon as the list is received, order numbers, as drawn Tuesday, will be given each registered man, and questionnaires will be mailed to the men in the order drawn. Questionnaires will likely not be out before April 1.

It is estimated that the first men from this new group of registrants will be called into service about the first of June. Three local men of this class have already enlisted in the navy.

Of the 486 men registered here, 84 are 20 and 21 years of age. It is estimated that most of this class will be called into military service during the summer. Of the 402 other men registered, it is likely that only a small percentage will be found available for military service.

No information has been put out by the war department regarding the registration of the 18-19 year olds and men of the 54-64 age bracket. However, this registration is likely to be held before fall.

Happy Birthday

March 19th—
Wilda Marsh
Wanda Jean Culpepper
Marvin Metcalf
Mrs. B. B. Cluck
Charles Lee Evans
Kenneth Boehning
Mrs. Cecil Black
Mrs. I. C. Jenkins

March 20th—
Margaret Davenport
Jerry Harding

March 21st—
Mrs. L. F. Sheffy
Olive V. Schramm
Dr. Robert P. Jarrett, Jr.
Miss Mary E. Hudspeth
Delbert Wesley
Anton Zimmer, Jr.

March 22nd—
Donnell Foster
John J. Boling
James Hancock

March 23rd—
Mrs. W. S. Amend
R. P. Hales
Harold Watts
Harvewy Boehning
Charles W. SoRelle

March 24th—

Louis Tucek
Billy G. Dugan
Oma Wesley
J. O. Bragg
Mrs. R. H. Long
C. L. Roberts

March 25th—
Hosea Foster
Bernard Warren
James Robert Meroney
Mrs. C. R. Burrow
W. G. Rose

Birthdays we missed last week, March 15, Mrs. M. Lucile Davault.

Air Wardens In Study of Plans For Emergency

Air raid wardens are meeting regulary every Monday night now to study regulations which have been adopted for all towns and cities of the nation.

The sirens which were ordered last week have not come. For the present if an air arid warning is necessary, it will be given by a 2-minute blast of the fire siren and blinking of the white lights.

Rapid progress has been made toward blacking out the town in case an air raid signal is given. All citizens should make preparation for such a blackout, co-operating with the block warden.

Typewriters May Now Be Rented By Dealers

Orders have been issued again allowing typewriters to be rented to those needing machines. Sales of both new and used machines are prohibited, but rationing orders on used machines are expected next month.

The News has a number of fine typewriters for rent.

Mr. and Mrs. Ray Hardaway and Oscar Bragg psent Sunday in Channing visiting relatives.

S. Hart and B. F. Oatis spent Saturday in McLean.

Buffs Lost 59-58

Lock Bicycles or Get Stolen

Two Boys Spend Night in Jail for "Borrowing" Two Bicycles; Observe Traffic

With the large increase in the number of bicycles in Canyon, regulations msut be adopted before serious accidents result, states Sheriff M. E. Cantrell. Boys and girls are riding on sidewalks and are violating traffic regulations on the streets. So far no accidents have occurred, but some boy or girl is likely to be seriously injured unless steps are taken to regulate bicycle traffic.

Another menace has shown up—unlocked bicycles. Two boys spent Monday night in jail when caught with bicycles which they had "borrowed." It is reported that "borrowing" bicycles is becoming too frequent and that the borrowers have smashed several bicycles before the wheels were returned. Several bicycles have never been recovered by their owners.

Those who have wheels should provide locks or run the risk of having their property stolen.

War Time Will Be Effective Monday March 30th

Preparations are being made for Canyon to switch to war time on Monday, March 30. All business houses will observe the new time. The schools and clubs of the town will likewise switch to the new time schedule on and after this date.

Churches will start on April 5th to observe the new time schedule.

Car Certificates Must Be Bought to Get '42 Plates

Car owners must present certificates of ownership before they can buy the new 1942 automobile license plates. Those who have not secured a certificate of ownership on their cars must make application at once. This applies to all models of 1936 and of later models.

1942 automobile plates are on sale and may be placed on cars immediately. All cars must be provided with the new plate by April 1 or the car owners are subject to a fine.

Martha Lou Wesley Died Tuesday a. m. Home Near Happy

Mrs. Martha Lou Wesley, 81, died Tuesday morning at 3:10 o'clock at her home near Happy. She had lived in that community since 1890, and was affectionately known to hundreds as Aunt Lou Wesley.

The funeral service was held at the Wayside church Wednesday afternoon at 3:30 o'clock, conducted by Rev. John Scott of Teague, assisted by Rev. R. C. Malone of Plainview.

Interment followed in the Wayside Cemetery in charge of the Griggs-Thompson Funeral Home.

Pall bearers were: H. R. Stone, John Patterson, White Currie, Sanford F. Sharpes, G. R. Forbus, Sid Guest. Honorary pall bearers were: Judge Henry S. Bishop, Will White, T. H. Campbell, C. R. Burrow, T. C. Thompson, V. H. Harman, C. V. Buchanan, J. H. Stephenson, B. J. Mulkey, Chas. Harter, A, B. Holt, Elja Guest, Dr. R. A. Neblett.

Surviving are four sons, E. P. Wesley of Canyon, H. B., J. W., and Earl Wesley of Happy; one daughter, Mrs. Fred Hext of Happy; 33 grandchildren and 54 great grandchildren.

Mrs. Wesley was a member of the Baptist Church in Happy.

Glen Milner Receives Wings in Arizona

Glen Milner, son of Mr. and Mrs. Dallas Milner, received his wings this week end from the United States Air Corps at Luke Field, near Phoenix, Ariz. Milner receives the rating of 2nd Lieutenant.

Mr. and Mrs. Milner spent the week end in Phoenix. Lt. Milner attended West Texas State College here.

Visitors of Mr. and Mrs. Gus Miller Sunday were Mr. and Mrs. Owen Miller and daughter, and Mr. and Mrs. Ernest Miller and children.

No Word Comes in About Registering For Sugar Cards

No information has been received by the local Ration Board as to the date for registering for sugar ration cards.

It was originally planned that this would take place the last week in March, but it is now evident that the date has been postponed.

School teachers will register members of the families and issue the ration cards. One member of each family may secure cards for each member of the family, but boarders and others staying in homes must go after the ration cards.

Notice of at least five days will be given before registration time. It is very necessary that all families have some member secure the ration cards on the date indicated.

Scout Leaders In Session and Plan For Year's Work

The monthly meeting of the Boy Scouts met Friday afternoon at the Council Chambers. Hosea Foster, chairman presided and announced the following members of the committees for 1942:

Co-Chairman, W. Mitchell Jones.

Leadership training chairman, Milton Morris.

Camping and activities, W. Mitchell Jones.

Health and Safety, Dr. Robt. P. Jarrett.

Finance, Dr. Lee Johnson.

Commissioner, J. Wes Kleinschmidt.

Organization and Extension and Advancement committee chairmen to be announced later.

Vice-chairmen, Grady Persons and M. E. Cantrell.

Reports were made by committee chairmen for the district. Dr. S. H. Condron, chairman of the camping and activities committee, announced that equipment for the trailer is being prepared for outdoor hikes and camps to prepare Scouts for the annual field day which will be held early in May.

Milton Morris and Ed Williams were appointed to work out plans for cooperation and public relations to clear dates to avoid conflicts with other groups.

Dr. Robert P. Jarrett announced plans were being made for the annual first aid meet, emphasizing the importance of first aid training for all Scouts.

Dr. Condron says that plans are underway for a summer camp period at which all troops in the district will be expected to attend.

Two Trustees to Be Named for the Canyon District

The annual election of school trustees will be held April 4. Candidates must file for a place on the official ballot on or before Mar. 24.

The term of Dr. R. A. Neblett and H. L. Heizer will expire on May 1st. At a meeting of the school trustees Thursday night the two men were requested by board members to be candidates for re-election to the board of trustees.

Hospital Notes

Mar. 12, A. B. Fortner, medical, dismissed Mar. 15.

Mar. 12, Armel Lee Stone, medical, dismissed Mar. 12.

Mar. 12, James R. Jenkins, NYA, medical, dismissed Mar. 14.

Mar. 12, Charles Halbert, W. T., medical, dismissed Mar. 13.

Mar. 12, W. E. Helms, W. T., medical, dismissed Mar. 14.

Mar. 13, Mrs. J. A. Hill, medical, dismissed Mar. 16.

Mar. 13, Billie Louise Hodge, W. T., medical, dismissed Mar. 15.

Mar. 13, Garland Turner, W. T., medical, dismissed Mar. 14.

Mar. 14, Mrs. Raymond Batenhorst, maternity, son born.

Mar. 15, Virgil Henson, surgical.

Mar. 16, Ray Burrus, surgical.

Mar. 17, Ronnie Vernon, medical.

Mar. 17, Johnnie Williams, W. T. tonsillectomy.

Mar. 17, Ardena Shields, W. T., medical.

Mar. 18, Mrs. R. B. Hicks, surgical.

Mrs. Wayman Davenport and Miss Frances Chambers of Amarillo visited Mr. and Mrs. Elver Brown Sunday afternoon.

Visitors of Mr. and Mrs. Jack Downing Monday were her parents, Mr. and Mrs. C. F. Hefner of Amarillo, and Ed Adams of Childress.

Tall Boys Make Late Comeback

Two Favorite Teams Licked Tuesday Night in New York City Open Tournament

West Texas State Buffs lost Tuesday night at Madison Square Garden, New York City, in a heartbreaking upset of the tournament.

But upsets ruled for the night. Long Island University, proclaimed by many experts as the greatest team in the land, went down in defeat before the Buffs took the floor. Long Island was humbled by West Virginia in a 59-49 extra period upset.

The Buffs lost to Creighton by one lone point, 59-58.

Ten minutes before the end of the game, the Buffs trailed by 14 points. The situation looked hopeless. The Buffs were missing the basket, while Creighton was hot, hitting everything.

The Buffs started to hit and the margin was whittled, but never to a vanishing point. During the last minute of play the Buffs missed enough opportunities to either win or tie the game. The game ended with Creighton on the long end of the 59-58 score.

Halbert was high man with 17 points, followed by Maddox with 14 and Brookfield with 13 points.

Long Island and the Buffs had been slated to be in the finals of the tournament, but both of the favorites were thus eliminated in the first round of upsets.

The Buffs ended the most successful season in the history of basketball here, winning 28 of 31 games. The Border Conference and championship of the Oklahoma City tournament were won.

The only defeats were suffered away from home; Bradley Tech at Peoria by a score of 52-49; Long Island University at Madison Square Garden by a score of 58-56; and again at Madison Square Garden Tuesday night by the score of 59-58.

During the season the Buffs amassed 2185 points to 1349 made by their opponents. Capt. Frank Stockman, Brookfield. Halbert, Maddox and Reed played their last game with the Buffs Tuesday night.

Bill Stockman was elected captain of the team for next year. He is a brother of Captain Frank Stockman and the only starting member who will be back next year.

Price Brookfield was elected the most valuable player of the year. Captain Frank Stockman received the K trophy given to the most valuable player.

The team will stay in New York for the balance of the tournament.

Men Leaving to Enter Branches of Military Service

Two men will leave Saturday for Fort Sill to be inducted into military service. These men are:

Tony James Rossi.

Thurston Edmonds Kukendall.

The following men have volunteered into various branches of the service:

Donald McAtee, navy.
Edward Arthur Herber, navy.
James William Anderson, navy.
William Hardy Flowers, navy.
Thos. Ralph Owens, navy.
Billie Polk Hall, navy.
Thomas Atkinson, air corps.
Paul H. Beeler, air corps.

Harold G. Watts Is Cadet Officer

Aviation Cadet Harold G. Watts, son of Mr. and Mrs. James R. Watts of Canyon, has been appointed Cadet "D" Flight Leader at the Army Air Corps basic flying school at Goodfellow Field, San Angelo.

Selection of the leaders is made by the tactical officer of the cadet detachment because of their exceptional military ability and qualities of leadership.

Before entering the Air Corps, Watts was a sergeant of Company F, 142nd Infantry, having left here with the national guard more than a year ago. He attended West Texas State College here.

Mrs. Boyd Moore and daughter, Wanda, spent the week end in Post visiting her mother, Mrs. C. A. Jones.

Donald McAtee left Tuesday for Dallas to take his final physical examination for the navy.

Mr. and Mrs. W. H. McKee and family spent Sunday in Lubbock visiting friends.

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation indivisible, with liberty and justice for all."

Last week The News asked readers to write letters to the President and to Congress demanding that action be taken to swing this nation into full production before the war was lost. Production is bogged down with inefficiency, red tape and the damnable 40-hour working week. We do not know how many readers took the time to write letters. If you have not done so, add your voice of protest at once. It seems that a nation-wide movement is on to try to get the administration and Congress to forget these Social Security frills before it is too late and all Americans are under the yoke of the dictators. You mothers and fathers whose sons are under arms should strike out, telling the President what you think of your sons facing enemy bullets while CIO and AFFL leaders are strangling production by silly laws which were passed during the depression. This is war. Hundreds of American boys have paid the supreme sacrifice, and thousands more will pay this sacrifice if the war is prolonged unnecessarily by laws which hamper production of war supplies. Write your letters today—and make them plain. This is a Democracy and the people have a right to tell their leaders when a great injustice is being done the bulk of the people for the benefit of a comparatively small number of workers.

Public opinion is a wonderful force when used in the right direction. Selective Service Boards are finding that when public opinion points to a man who has evaded military service through some device, the man soon finds it healthy to join the fighting forces. Public opinion will have a lot to do with the sugar rationing program, when the public points a finger of scorn at the people who are known to have been hoarding sugar to defeat the purpose of the law. Public opinion has had a lot to do with the success of the Red Cross, USO and Chinese benefit drives. All of us like to be found doing the popular thing, and certainly these are worthy enterprises. Public opinion has had a lot to do with the sale of Defense Bonds—only we hope that the name will be changed to Offense or Bomber Bonds. This word "defense" sounds too much like we are going to wait until the enemy shows up and then attempt to slap him on the wrist, instead of going out to get him. Public opinion is one of the strongest weapons that may be used for any worthy cause, or for suppressing any known evil.

In spite of the fact that the news has been published in all of the architectural and engineering journals, censorship prohibits the publication of anything more than that a munitions plant is being erected "somewhere in Texas." Naturally from all of the elation and activities in and around and east of Amarillo, it might be guessed that the plant is being placed somewhere in the Panhandle. Now isn't that silly! Every Jap and Hitler spy in the nation knew the day announcement was made in Washington the exact location of the plant; what the contract calls for; when it will be finished and what is going to be made in the plant. Yet the plant is "Some place in Texas"—and Texas is a big state.

Randall county citizens are asked for $500 for the Chinese Relief. The Chinese have put up a valiant fight against the Japs for 4½ years, but their supply line is now being reduced. Your money will go a long way toward helping relieve suffering among the Chinese, who ask for little of this world's goods.

Congressmen in a few states which do not impose the poll tax, are asking Congress to prohibit poll taxes in eight states. Silliman Evans, former Texas newspaper man, now of Louisville and Chicago, testified that in Texas the minority controlled elections by buying poll taxes in blocks. We are fearful that Mr. Evans is speaking out of turn. His vague assertions were not backed with facts. The only place in Texas where such a thing was ever charged was in the Valley where Mexicans have been voted as a block. Even if this thing now goes on in some county, it would go on to a greater extent without a poll tax. Herds of Mexicans and negroes could be voted without the school fund getting any benefit. When these smart guys in other states will tell Texas where to get a million dollars for the school fund, we shall be willing to abolish the poll tax. It does seem ridiculous to consider that $1.75 is too much to ask thousands of citizens to contribute toward the support of their state government.

The strangle hold of CIO and AFFL on Washington is most alarming. The President and Congress are putting ceilings on everything but wages. Wages outside of defense industries have not increased, but wages in these plants are running wild. Labor leaders see to it that these boosts are made in order that more dues may be collected to fatten the pocketbooks of these leaders. The results are that war machines are costing more than they should, and the people will have to buy more bonds to keep industries running. These big wages are going to have a bad effect after the war. The men who are drawing these wages and spending them so freely will find themselves without jobs and unable to secure employment under such flattering conditions as they do now. The President should allow this ceiling to be clamped on wages, and in fact everything else which goes into the cost of living.

Panhandle newspaper people are warned that the 33rd Annual Convention of the Panhandle Press Association will convene in Amarillo April 10 and 11. The detailed program will be announced this week. War time brings about the necessity for more efficiency on the part of the publishers, and this will be the keynote of the convention. Every newspaper should have a full representation at the convention.

Every third federal employee should be sent into defense industries or back to the farms. This could be done if and when the administration and Madame Perkins are willing to allow federal employees to put in a decent week's work instead of maintaining the 40-hour week.

It is suggested that in order to save materials, men be prohibited from wearing coats in the summer. Every man would shout with joy if this rule could be made effective. There is nothing more foolish than the conventional idea that men should wrap themselves in a heavy coat, regardless of the temperature, while women now dress to the point of absolute necessity.

The News has a letter from Senator Tom Connally regarding the strike situation. Senator Connally has a bill pending in Congress to prohibit strikes in defense plants and hopes that the people are so thoroughly aroused by the terrible loss of hours that they will demand Congress to do something about unpatriotic labor leaders who are hampering war industries. Write a letter to the Senator, thanking him for trying to save America from defeat, while other leaders are trying to maintain a peace-time program.

It has been ordered by some office boy up at Washington that local ration board officers shall be kept open 24 hours a day. In Randall county one clerk is paid only on a three-fourths time basis. Just who is going to keep the office open the balance of the time, or just why the office should be kept open at night is still a midnight mystery. It takes a Democracy to promulgate silly and impossible orders.

This perfect weather makes you wonder if this is really March. Shall we enjoy such perfect weather the balance of the spring? For 10 years we have had plenty of wind and dust storms during February and March, and here we are past the middle of the months and no duster has hit. Wind to only a moderate degree hit the Plains this year. The balance of the time the weather has been perfect.

American troops are becoming scattered throughout the world. Word comes that an offensive will soon start instead of sitting back awaiting for the enemy to choose his time and place for attack. The war will not be won until the Allies are in shape to wage an aggressive war. Bombing hell out of Berlin and Tokyo are absolutely necessary before the tide of battle changes.

Congress is toying with the sales tax idea. Experience proves that this tax will bring in the money, and money is what the Administration needs.

President Roosevelt has written all Governors asking states to pass laws limiting speed of automobiles to 40 miles per hour. While enforcing such a law is largely in the hands of local officers, the President could have made such a law effective by an executive order. Wonder just how long it would take for 48 state legislatures to pass such a law?

Scrap iron is badly needed for war work. The price is high, and every person who has scrap iron should sell it now. There is hardly a farm in Randall county which does not have a lot of scrap iron which could be turned into cash.

College Librarian Finds Land Buy "Isn't So Cheap"

Friday 13 might be an unlucky day for some people but for Miss Linnie Babston, college librarian, that day holds no fear whatsoever. Perhaps the reason might be that on that day she received word that oil was located on her land.

Miss Babston bought 124 acres south of Abilene in 1937, and at that time intended to use it for sheep farming. Since last week she has changed her mind as to the use.

After the drilling started, Miss Babston received a letter from the construction company telling her that she had a very fine well and the potentiality of it would be about 1000 barrels daily.

"When I bought it 5 years ago," she said, "I didn't have the slightest idea that this was going to happen. I merely bought it because it was a cheap buy. But it doesn't look so cheap now."

Kindness is more binding than a loan.—Chinese Proverb.

West Texas Gas Co.

Hardly added a quart "since Hector was a pup"

How this oil that defies "curdling" far out-mileaged five other great quality brands... beat their average more than twice over, in Certified Desert Test

CURDS thickening up milk don't half give you a picture of the blobs of muck that can foul your oil—and your engine. For mush and "stickum" from oil that fails under present-day strain can't improve lubrication, nor add to safe mileage per quart. But now that you must change oil for Spring—really a law in every Car Instruction Book—you can easily switch to Conoco N*th* motor oil. And in patented Conoco N*th* oil you get *Thialkene inhibitor*... man-made... the modern synthetic invented to restrain stickiness—sluggishness—"simmering down thick."

Conoco N*th* gets every chance to stay smoothly fluid; full of life. And still another great Conoco synthetic—same as ever—makes Conoco N*th* give you an OIL-PLATED engine, with lubricant "plated" you'd say—or seemingly "magnetized"—direct to inner engine parts. Then OIL-PLATING isn't all draining down fast during parking—or even overnight. Instead, OIL-PLATING can stay up high, to help out your engine at every start, before any oil-pump raises up its full stream. That's how to foil a lot of wear, and not have your engine soon over-eating oil.

Talk about a strict economy diet! ...Down in Death Valley's record high heat, battling five other big-name oils—impartially—this same Conoco N*th* oil was still up above half when all others tested had burned up their engines and their full 5-quart fills!

That's a certified sample. It makes you realize why you can change to Conoco N*th* and keep away from adding quart after quart. Get rid of hazardous Winter oil now, at Your Mileage Merchant's Conoco station. Get economy to the N*th* degree. Continental Oil Company

Social Events of the Week

IMPROMPTU PROGRAM FEATURED MUSIC-ARTS CLUB

One of the most interesting programs of the season was given Monday at the meeting of the Music-Arts Club with members gathered at the home of Mrs. A. K. Knott on Fourth Avenue.

At the business meeting new officers were elected for the coming two-year period as follows: Mrs. Knott, president; Mrs. Newton Harrell, vice-president; Mrs. Dan Sanders, secretary-treasurer; and Mrs. Herschel Coffee, reporter. The final meeting of the current season will be held in May.

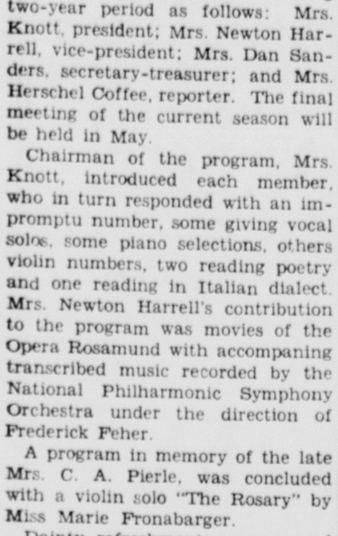
Chairman of the program, Mrs. Knott, introduced each member, who in turn responded with an impromptu number, some giving vocal solos, some piano selections, others violin numbers, two reading poetry and one reading in Italian dialect. Mrs. Newton Harrell's contribution to the program was movies of the Opera Rosamund with accompaning transcribed music recorded by the National Philharmonic Symphony Orchestra under the direction of Frederick Feher.

A program in memory of the late Mrs. C. A. Pierle, was concluded with a violin solo "The Rosary" by Miss Marie Fronabarger.

Dainty refreshments were served to the 12 members present as follows: Misses Isabel Robinson, Margaret Barrett, Marie Fronabarger, Mrs. Coffee, Mrs. Harrell, Mrs. Ed Phillips, Mrs. H. A. Brown, Mrs. T. H. Knighton, Mrs. Tommie Montfort, Mrs. Dan Sanders, Mrs. L. F. Sheffy and hostess Mrs. Knott.

Misses Sunny Harden and Fern Walters spent the week end in Lubbock visiting Mr. and Mrs. Ishmael Hill.

Mrs. Warren Lockhart of Happy spent the week end here with her parents, Mr. and Mrs. T. V. Slack.



Lowe Brothers HIGH STANDARD HOUSE PAINT

"I've painted a lot of houses and I can tell you that LOWE BROTHERS HIGH STANDARD HOUSE PAINT is good news for your pocketbook. It covers solidly more square feet per gallon than 'cheap' paint, and spreads evenly and freely. That speeds up my work—and what saves my time, saves your money. So I say, be dollar-wise and use LOWE BROTHERS HIGH STANDARD HOUSE PAINT."

RALPH H. D. CLUB MET IN HEIZER HOME WEDNESDAY

County Home Agent Miss Frances Wilroy discussed diets at the meeting of the Ralph Home Demonstration Club which met at the home of Mrs. Lynn Heizer Wednesday afternoon, March 11.

Miss Wilroy, in discussing Deficient Diets stated that diets can be corrected by education and change of food habits. In telling of the benefits of eating cracked wheat she stated that soaking whole wheat destroyed more of the vitamin B-1 than did long cooking of the wheat grain in a double boiler or pressure cooker.

Mrs. Carl Schroeder and Mrs. Clarence Adcock exhibited foods necessary for one person's proper diet, according to Texas Food Standards.

The club voted for each member to provide herself with a First Aid Kit.

Refreshments of whole grain products with molded salad and coffee were served to Miss Wilroy, Mrs. Schroeder, Mrs. Adcock, Mrs. S. G. Elliott, Mrs. L. L. Byars, Mrs. T. C. Gooch, Mrs. John Jennings, Mrs. M. O. Slack, Mrs. L. S. Johnston, Mrs. Sam Hill, Mrs. Crews Henry who is a new member and the hostess.

The next meeting, March 25, will be with Mrs. Clarence Adcock at 2:30. A guest speaker will be present for that occasion, so members are urged to be on time.

"JAZZ AGE" STUDIED BY WOMEN'S BOOK CLUB

The period between two wars often characterized as the "Jazz Age" was the subject of study at the meeting of the Woman's Book Club last Wednesday in the Thompson club rooms.

The program was the first in a series of five bearing on the subject "Aspects of American Culture." Members who participated and their subjects were: Mrs. Geraldine Green, "'The Lost Generation' of the Wasteland,'" Mrs. D. A. Nicholas, "Intellectual and Moral Sterility Among the Upper Classes: New York and Boston"; and Mrs. Lee Johnson, "The American Business Man, pro and con."

The speakers based their conclusions on intensive studies of the literature of the era and were unanimous in characterizing the period under discussion as one of turmoil, hysteria, disillusionment, and exaggeration of minor social values.

In the business meeting which followed the program the club voted to send a delegate to the district meeting in Lubbock. By unanimous vote this honor was conferred on Miss Irene Angel, president of the organization.

MRS. W. L. PARSLEY HOSTESS TO AS YOU LIKE IT CLUB

Mrs. W. L. Parsley used carnations and geraniums as decorations at her home Thursday afternoon when she entertained members and guests of the As You Like It Club.

At the conclusion of games of bridge, the hostess served fruit pudding and coffee to Mrs. A. K. Knott and Mrs. O. L. Coleman, guests, and Mrs. W. C. Kunze, Mrs. N. E. McIntire, Mrs. L. Angel, Mrs. J. L. Duflot, Mrs. A. W. Sternenberg, Mrs. J. B. Speer, Mrs. C. M. Presley, Mrs. Anne Wofford, Mrs. Dan K. Usery, and Miss Edna Graham.

Mr. and Mrs. Johnnie Simms of Phillips spent Friday through Sunday here with her parents, Mr. and Mrs. G. B. Heath.

MRS. FRANK BEGERT IS UMBARGER CLUB HOSTESS

Food the body needs, good sources of vitamin B-1 for the adequate diet and how heat or soaking would kill the vitamins in different foods were the topics of Miss Frances Wilroy's demonstration for members of the Umbarger Home Demonstration Club meeting in the home of Mrs. Frank Begert Thursday afternoon.

Many usages of whole wheat were given with two dishes, Scalloped Apples and Whole Wheat Custard, being prepared and served by the Home Agent.

Those present were Mrs. Ben Koch, Mrs. W. P. Janssen, Mrs. Max Hoffman, Mrs. John Bedenk, Mrs. Clarence Beckman, Mrs. George Brockman Mrs. Rudolph Friemel, Mrs. Frank Begert, Mrs. Dal Brockwell, Mrs. Henry Bracht and Miss Wilroy.

The next meeting will be March 26 at the home of Mrs. John Bedenk. Miss Wilroy asked that all members be prepared to answer roll call with the number of whole wheat dishes prepared from the recipes they had been given.

MRS. CLARENCE THOMPSON IS CLUB HOSTESS

The Friday Afternoon Club members and invited guests were entertained Friday afternoon of last week at the home of Mrs. Clarence Thompson.

Seated for the games of bridge which made up the diversion for the occasion were Mrs. W. C. Black, Mrs. Guy Harp, Mrs. Dan Sanders, Mrs. Clyde Warwick, Mrs. J. W. Kleinschmidt, and Mrs. T. H. Knighton, club members; and Mrs. Ray Campbell, Mrs. J. S. Humphreys, Mrs. R. P. Jarrett, Sr., Mrs. G. A. Farlow, Mrs. J. J. Walker, Mrs. T. B. McCarter, Mrs. Harris M. Cook, Mrs. Joe Black, Mrs. T. S. Maxwell and Miss Irene Angel special guests.

A light refreshment plate of salad with coffee was served by the hostess at the tea hour.

RAY METCALF HONOREE AT BIRTHDAY PARTY WEDNESDAY

Mrs. Ray Metcalf entertained with a "42" party Wednesday evening of last week honoring her husband, Mr. Metcalf on the occasion of his birthday anniversary.

Upon arrival the guests were given a score card with a comic-strip cartoon by which means partners for the game were chosen. When the games started, each was given a "jaw breaker" and bidding was done only by signs until the candies were gone. This sign bidding added much to the gaiety of the occasion.

When the games were concluded Mrs. Metcalf placed before her husband a beautiful two-tiered angel food cake decorated in the St. Patrick colors of green and white complete with birthday candles.

Refreshments were served to Mr. and Mrs. Albert Meyers, Mr. and Mrs. R. A. Burrus, Mr. and Mrs. J. J. Wright, Mr. and Mrs. B. A. Burrus, Mr. and Mrs. W. L. Avent, Mr. and Mrs. Tony Burrus, Mr. and Mrs. Lavert Avent, Mr. and Mrs. Herschel Burrus, Mr. and Mrs. B. B. Cluck, Mr. and Mrs. E. Gidden, Mr. and Mrs. E. W. Bourn, Mr. and Mrs. J. B. Hager, Mr. and Mrs. Olin Huff, Mrs. J. W. Bourn and Vernon Hager.

PARK CLUB HAS DEMONSTRATION ON WHOLE WHEAT FOODS

Whole wheat products was the lesson theme presented by Miss Frances Wilroy to the Park Home Demonstration Club meeting in the home of Mrs. Herrick Simon Thursday afternoon, March 5.

According to Miss Wilroy the whole grain contains all the materials necessary for the development of a plant, given light, air and moisture. Like milk which is intended by nature to meet the needs of a developing organism, and like the oyster which is a complete organism within itself, the whole grain with its potentialities for the development of an embryo in the plant is a reserve supply of energy and within the germ and bran are the substances essential for the utilization of this store.

Miss Wilroy then cooked and demonstrated several dishes made of whole wheat, dishes such as: Scalloped apples or fruit; whole wheat custard and whole wheat raisin sandwich loaf.

Those present were Mrs. W. E. Bennett, Mrs. A. F. Burkes, Mrs. G. A. Colling, Mrs. F. A. King, Mrs. H. A. Simon, Mrs. J. V. Williams, Mrs. James Eddie Park, Mrs. Frank Simon, Mrs. Walter Simon, Mrs. Elmer Winters, Mrs. Chas. Thurmon and Miss Wilroy.

SENIOR S. S. CLASS IS ENTERTAINED TUESDAY

Mrs. K. E. Frieze, teacher of the Senior Young People's Class of the Methodist Church, entertained the group with a "42" party at her home on Fifth Avenue Tuesday evening.

The St. Patrick motif was used in the tallies and house decorations for the affair. The girls were dressed in formal evening attire.

Mrs. Frieze served a dessert course of frozen lemon pie with punch and mints to those seated at the four tables.

Present were Misses Theresa Nell Blewitt, Clavelle Boling, Juanita Anderson, Avis and Mary Alice Campfield, Virgie Ruth Haines, Bobbye LaFon, Irene Nix, Frankie Phillips, Jackie Weathersbee, Frankie White; and Carl Mitchell, Dudley Nix, Jess Armstrong, John James Harter and Loyd Devin.

ROSE WALKER WITH MRS. J. T. BURNETT TUESDAY

Mrs. J. C. Dowd and Mrs. T. T. Fain gave the opening prayers at the Tuesday afternoon meeting of the Rose Walker Circle at the home of Mrs. J. T. Burnett. Mrs. Minnie Laughery gave the devotional.

Bible verses were given in answer to roll call by Mrs. C. O. Cooper, Mrs. J. D. Key, Mrs. Dowd, Mrs. P. K. Brian, Mrs. Laughery, Mrs. T. W. Langston, Mrs. Charles H. Stratton, Mrs. Fain and the hostess.

Delicious devils food and white cake were served with spiced tea at the refreshment period. From their secret love sisters, members received gifts which were ouened and enjoyed.

The meeting next Tuesday will be with Mrs. Dowd at which time the Bible quiz will be held.

Social Events of the Week

PRESBYTERIAN GUILD WITH MRS. T. E. ALLEN

The Tuesday afternoon meeting of the Presbyterian Guild met with Mrs. T. E. Allen. Mrs. Winfield Miller was in charge of the devotional.

Mrs. J. D. Barker gave an excellent review of the Book of Ruth.

Tasty refreshments were served by the hostess at the social hour to Mrs. C. N. Wiley, Mrs. R. A. Neblett, Mrs. Miller, Mrs. Barker, Mrs. C. L. Thompson, Mrs. W. L. Smith, Mrs. James Cole, Mrs. W. Holmes Smith, Mrs. James Butler, Mrs. Robert Jarrett, Jr., Mrs. Irving SoRelle, Mrs. Joe Black, Mrs. Alfred M. Dorsett, Mrs. Cecil Briggs and three guests, Mrs. Arthur Chamberlin of Borger, Mrs. Thos. J. Allen and Miss Annie Allen.

Charles Jennings of Lubbock spent part of the week here visiting in the home of his brother, Herschel Jennings.

Mrs. A. B. Duncan and Miss Johnie Courtney spent the first of the week in Graham.

MRS. GREGG IN CHARGE OF BETA SIGMA PHI PROGRAM

Presenting an interesting program on drama, Mrs. George T. Gregg was in charge of the program of Beta Omega chapter of Beta Sigma Phi Tuesday evening at the home of Mrs. E. D. Harrell, sponsor.

Mrs. Gregg used the "Merchant of Venice" to illustrate her discussion.

Present were Mrs. Harrell, Mrs. Gordon Lyons, Mrs. Bob Parsons, Mrs. Wesley Cox, Mrs. Gregg, Misses Billie Flesher, Louise Holgate, and Tommye Chambers.

MRS. WESTER TO REPORT TO REBEKAHS TUESDAY

Mrs. Myrtle Wester, representative to the Rebekah Assembly, will give her report to the local Rebekah Lodge Tuesday evening at 8:30 o'clock in the lodge hall.

There will be a social hour immediately following the program.

Charlie Criswell and son, Willis, have returned from Arizona where they had been working.

Business Women Are Entertained Wednesday Eve

Business women of Canyon were day evening at the beautiful Warren home on Third Avenue when Mrs. W. A. Warren and Mrs. J. J. Walker were hostesses to the Business Women's Club.

Bouquets of snapdragons, sweet peas and stock were used for floral decorations in the entertaining suite where six tables were placed for bridge. Corsages of pansies to which table and couple numbers were pinned were passed to each. The two traveling prizes came to rest after a very active evening with Mrs. Felix Pierce and Miss Bettye Solomon.

Those who desired were privileged to inspect the new home during the course of the evening.

At the refreshment hour guests were invited to the dining room for service of frozen fruit salad, clover-leaf sandwiches, gum drop cookies, shamrock candies and coffee or tea. The table, which was laid with an all-over cut work cloth, was centered with a bowl of vari-colored sweet peas and fern. White tapers in crystal candelabra were placed at either side. Mrs. Earl Robbins served the salad and Mrs. T. C. Thompson presided at the silver tea and coffee service. The whole carried out the St. Patrick motif.

Seated were Misses Frances Wilroy, Olive Schramm, Billie Bee Flesher, Grace Clark, Rose Parsley, Bettye Solomon, and Dorinda E. Bond of Amarillo; Mrs. Robbins, Mrs. Weldon Bright, Mrs. N. E. McIntire, Mrs. R. E. Ball, Mrs. Thompson, Mrs. Claude Moore, Mrs. C. P. Overton, Mrs. Guy Tabor, Mrs. Bob Parsons, Mrs. T. A. Black, Mrs. Pierce, Mrs. C. R. Flesher, Mrs. K. E. Frieze, Mrs. G. A. Farlow, Mrs. George T. Gregg, Mrs. R. O. Moore and Mrs. E. C. Starr of Albuquerque, N. M., who is in Canyon visiting her aunt Mrs. T. A. Black.

MRS. GLENN DOWLEN IS CLUB HOSTESS WEDNESDAY

The home of Mrs. C. M. Dowlen was scene of the 1925 Bridge Club yesterday afternoon when Mrs. Glenn Dowlen acted as hostess to the group.

Potted plants were used advantageously in the entertaining rooms.

Light refreshments were served at conclusion of the games to Mrs. W. A. Warren, Mrs. J. Madison Daugherty, Mrs. W. Holmes Smith, Mrs. Joe Black, Mrs. James Cole, Mrs. J. L. Duflot, Mrs. R. E. Ball, Mrs. Hud Prichard, Mrs. T. A. Black, Mrs. Frank Phillips, Mrs. Ray McReynolds and Mrs. J. J. Walker.

Each one present was given a Defense Savings Stamp by the hostess.

CHARLES BRASHER HAS BIRTHDAY PARTY

Mrs. Tom Brasher entertained Tuesday morning with a birthday party for her son, Charles, on his 4th birthday.

During the morning the children played with various toys, and had their pictures taken.

Birthday cake and grape juice were served to Debra McDonald, Anna Marie Barker, Diane Prichard, June Carolyn Davis, Sandra Dickson, Bobby Cole, Jimmy Craig, and Charles.

Dr. H. A. Brown attended the State Chiropractic Association meeting in Lubbock Sunday. The Association is very active in all branches of defense work and is showing a true spirit of patriotism, stated Dr. Brown.

Canyon is not your neighbor's town; it is your own and you must do your part in perfecting it as a good place for human beings.

No earthly good so much enjoyed
No pleasant scene so fair,
As when we have some worthy friend,
Its beauties we may share.
W. M. Hinman.

Girl Scouts

Girl Scouts of Canyon observed the 30th anniversary of Girl Scouts Tuesday evening of this week with a Buffet Supper in Fellowship Hall at the Methodist Church.

The green and white color theme was carried out in the hand made appointments for the affair, all of which was made by the girls.

Special guests for the occasion were mothers of the Scouts, Miss Ida Mae McClure of Amarillo, Miss Ruth Cross, Mr. and Mrs. C. W. Freed and Rev. C. C. Armstrong.

Mrs. S. H. Condron was chairman of the supper arrangements.

Members of the executive committee who were present were Mrs. Condron, Mrs. Morris Small, Mrs. J. B. Speer, Mrs. R. E. Ball, Mrs. Dan Sanders and Mrs. James Cole.

All of the Girl Scout leaders were also present, which brought the attendance well over 100. Award badges were given during the program.

Zita Breezes

Mr. and Mrs. C. C. Stewart and Robert Ray Stewart attended the sale of the club calves at the Fat Stock Show in Amarillo.

C. R. McAfee, Fred Standley, Bailie McCormick and John Moody attended the agricultural meeting at the Herring Hotel Friday.

Mrs. James E. Park and Mrs. Bailie McCormick were shopping in Amarillo Saturday.

Mr. and Mrs. Willard Smith spent Saturday out at the McAfee ranch.

Mrs. Henry Brumme and Mrs. John Moody attended the Fat Stock Show Friday.

Little Nancy McCormick has been a victim of a bad cold this week.

Miss Ben Mullen and Guy Whitcomb were visitors in the John Moody home Sunday night.

Miss Rose Parsley, home economics teacher in the Canyon High School called Friday in the homes of Rose Hugg, Laura Bell Arb and Mary Ben Moody.

PRESBYTERIAN CHURCH

Next Sunday will be the fourth in the series of six "Pre-Easter Loyalty Sundays" in the Presbyterian Church. The theme for the morning worship at 12 noon will be "The Joy of the Way to Calvary." The Young Adult Class will have charge of the worship service in the Sunday School at 10:45 a. m. The theme for the worship service will be "Jesus, the Executive."

The evening worship will begin with a song service and close with a period of silent dedication. The theme for this service will be "Scars." The college young people will be in the choir and will bring special music for the evening.

The Ladies Auxiliary will meet on Tuesday afternoon at the home of Mrs. Nancy McCaslin, at which time Mr. Dorsett will bring his annual Pastor's Message.

STORK SPECIAL

A son, Daniel Crist, was born March 14 to Mr. and Mrs. Charles L. Weddle, Jr., of Doylestown, Penn. Mrs. Weddle is the former Dorothy Gore, a daughter of Mrs. Lucy Lee Gore of 210 Fourth Avenue, Canyon. Dorothy is a graduate of West Texas State College. Mr. Weddle is also a Texan, having completed his undergraduate studies in Texas Technological College, before going to Michigan State College and Cornell University for graduate work. He is now employed as floricultural geneticist with the Burpee Seed Company.

Henry Bradford went to Vernon Sunday to visit at the home of his sister.

Mrs. Pat Wederbrook of Hereford is spending a few days here with her father, John Knight.

Judging from the comment that we read about the war, most of the world's military genius is located in the United States.

The cost of national defense indicates that, unless the world becomes stabilized, the chief burden of governments will be armaments.

Frankly, the emergency of the nation must not be used as a means of perpetuating penalties upon agriculture.

College Active In Conference

Dr. J. A. Hill to Speak At General Assembly—Meyer Is Vice-President

President J. A. Hill will head the list of West Texas State College spokesmen at the Northwest Texas Conference for Education in Amarillo on March 20 and 21.

Dr. Hill will speak at the Saturday morning general session. His subject will be "And This Is America."

Dr. A. M. Meyer will have many duties as vice-president of the conference. Dean R. P. Jarrett is a member of the educational progress committee, Dr. Hill of the legislative committee, Olin E. Hinkle of the publicity committee, Mrs. T. V. Reeves of the necrology committee, Prof. F. E. Savage of the arrangements committee and Prof. R. I. Hibbetts and Virgil Henson of the registration committee.

Prof. Houston Bright of the department of music will present the College Choir at a general session. Miss Maude Cuenod of the department of business administration will speak at the section on commercial subjects. Dr. Lloyd Smith will talk to the section on elementary language arts. The elementary social studies group will hear Miss Darthula Walker, head of the department of geology. Dr. L. F. Sheffy will address the section on high school social studies. A symposium on homemaking will be conducted by Miss Lilla Clark, home economics teacher.

Coach Leslie Van Meter will talk to the section on physical education. Dr. Hattie M. Anderson will preside at a luncheon for Delta Kappa Gamma at the Amarillo Country Club Friday. Miss Ruth Lowes, primary teacher, will talk at a Parent-Teacher luncheon at the Amarillo Hotel.

Other college instructors are officers of various sections. Ex-students also are prominent in sectional meetings, and one of them, W. B. Weatherred of Pampa, is president of the Conference. For many years the convention met annually at Canyon, but Amarillo was chosen as the site this year to obtain greater auditorium capacity. The convention is one of the largest which meets in West Texas.

Dr. A. M. Meyer announces an entertainment program to be held Friday night at the Amarillo and Herring Hotels given by Amarillo organizations to the visiting teachers.

Brown and Farlow Named Aviation Recruiting Board

Dr. H. A. Brown has been named chairman of the Aviation Cadet Branch of the United States Army Recruiting Services in Canyon with G. A. Farlow, assistant.

All desiring information regarding this branch of the service are asked to see either of these men for full particulars.

Mrs. Lee Foster and Sally have returned from Childress where they visited in the parental J. A. Brewer home.

Mr. and Mrs. R. D. Lowry visited Sunday in Floydada with Mr. and Mrs. Will Stevens.

Lions Hear Program Of Music From W. T. Training School

Rev. Joe Findley, minister of the First Christian Church, was in charge of the program of the Lions club Thursday at noon, presenting the W. T. Training School Chorus, under the direction of Miss Ada V. Clark.

The group gave several patriotic renditions, outstanding of which was their interpretation of "America, The Beautiful," and their special variation of "The Star Spangled Banner."

Lion W. F. Nix, who recently opened his law office here, was reinstated as an active member of the club, and Robert W. Foster was introduced as a new member with classification of farm loan.

The fear of the Lord is the beginning of knowledge but fools despise wisdom and instruction.—Bible.

Let honesty and industry be thy constant companions.—Franklin.

Chemist Talks With Alarm

President of A.C.S. Says Shortage of Materials For War Is Serious

"Have I alarmed you? I hope I have," said Dr. H. N. Holmes, president of the American Chemical Society, as he ended his address in assembly Saturday.

"I elected to speak on Strategic Materials and Defense Materials, because I am all 'het' up about that," he added.

In 1940, congressmen appropriated one million dollars to buy up strategic materials (rubber and rare metals). They did this in order to have on hand a "stock." At first Congress wasn't very enthusiastic about it, but it later appropriated more. In 1941, this was $600,000,000. Now Congress is quite willing to buy more, but where?

Perhaps, the defense material that is giving the worse headache is rubber. The war is fought with rubber to an alarming degree.

In peacetime, this nation uses 600,000 tons of rubber a year. It did get about 650,000 tons from the West Indies. Now, there is no more coming.

"We have on hand about 650,000 tons of rubber. The idea is to make this last two years. But Japan has rubber, and has acquired more. Germany is producing synthetic rubber at the rate of 200,000 tons a year. Russia also produces synthetic rubber.

"You say that we could get rubber from Brazil, but there is a great labor problem in Brazil. And experts say that not even by 1944 could we get more than 50,000 tons of rubber from that country.

"What about redeeming rubber? It can be done. We will redeem from 300,000 to 350,000 tons of rubber this year—but this is second grade rubber. Tire manufacturers say that it isn't safe to drive over 30 miles an hour on tires made of this rubber. Obviously, tanks and airplanes cannot run on this."

One solution to the problem is synthetic rubber. Rubber can be produced from petroleum. However, Russia makes rubber from potato starch. Experts say that it would take two years to build a plant large enough to produce in quantity. Meanwhile, the "stock" is being used up.

"I am scared green," said Dr. Holmes. Then he stated that we will get by in this war by the skin of our teeth—but if the chemists and engineers fail us, I can't but see that we're licked.

For airplanes the nation needs aluminum. A few years ago, it produced 352 million pounds. It now produces 600 million pounds a year. But the government wants 1,200,000,000 pounds a year.

We could use magnesium. Fifty million pounds are produced a year, but the government wants 400 million pounds.

From the oil industry comes 100-octane gas. The same ship using 100-octane gas will fly 20 miles faster than on the 80-octane gas used in Germany.

America produces 50 thousand barrels of gasoline a day, but the government wants 150 thousand barrels a day.

Toulene, which is the source of T. N. T., a very important explosive, can be produced from petroleum. The government wants 7 million pounds of T. N. T. a day.

Glycerine, the source of nitroglycerine and dynamite can also be produced from petroleum.

"I am scared green. I hope I have alarmed you. I want to alarm myself and keep myself alarmed," the speaker said earnestly.

RESTORE NEW CAR PERFORMANCE

Bring your Ford "Back Home" for a complete motor tune-up for easy starting, better performance and top gasoline mileage. Our trained mechanics, using the Ford Laboratory Test Set will do the job *right*.

YOUR SAFETY DEPENDS ON YOUR BRAKES

It doesn't pay to risk driving with faulty brakes.

Have them checked today to assure quick, smooth stops to meet any emergency—and don't forget that improperly equalized brakes can rapidly wear precious rubber from your tires.

If brake linings are worn, they should be replaced at once, before brake drums are damaged and require an expensive drum grinding job. Ford rebuilt brake shoes are available under the famous Ford Parts Exchange Plan.

SAVE THESE 3 WAYS

Bring your Ford "Back Home" to us for service to get:

1. Skilled mechanics, trained in factory methods.
2. Special shop equipment to do the job *right*.
3. Genuine Ford parts.

HAWKS MOTORS, Inc.

Canyon, Texas

Classification Talk Made Tuesday at the Rotary Luncheon

Clarence Thompson made a classification talk Tuesday at the Rotary Club luncheon. He discussed the changes made in the hardware business in recent years.

Miss Martha Frances Campbell played two piano solos.

Dr. A. M. Meyer invited members of the club to the Northwest Texas Conference for Education in Amarillo Friday and Saturday.

Dr. S. H. Condron called attention to necessity of contacting prospective students for West Texas State. Owing to the tire situation no trips will be made this spring to contact students and all citizens should help in this work. Dr. J. A. Hill stressed this announcement. Special courses are being arranged under the direction of the government whereby boys may start this summer as freshmen and be eligible for commissions in the navy when they graduate.

Mr. Thompson traced the growth and development of the hardware business since the first store was established in 1827. Today there are 25,000 hardware stores. In early days there were more general stores than hardware, but now they are looked upon as hardware department stores carrying various lines and departments.

The hardware stores serve people from many professions, all of which the dealers must understand if they are to adequately understand the needs of their customers. They are called upon to repair all kinds of machines and know where these repairs may be secured. They must anticipate the needs of their customers in order to give satisfaction.

The hardware business is looked upon as stable, and an opportunity to give service. Today the lines are changing rapidly and by summer customers will begin to really feel the pinch of war. The speaker listed more than 25 lines which are not being made, or on which restrictions have been placed. Scarcity of farm labor is directly affecting the hardware business. During the war hardware dealers will do their best to maintain stocks and render service at fair and equitable prices, stated Mr. Thompson.

Pleasantview

Mr. and Mrs. John Jennings entertained the community with a party Saturday night. Those present were served sandwiches, coffee and cookies later in the evening.

Johnny Marie Ford spent the week end with Helen Spencer.

Those on the sick list this week are Helen and Annette Meyer, and Golden Currie.

Mr. and Mrs. Milton Dooley and Ava Margaret visited in the Joe Crowley home Sunday afternoon.

June Jennings spent Thursday night with Sue and Fay Dickerson.

Mr. and Mrs. Bradley Burrus and Mr. and Mrs. Cas Jennings visited in the Henry Meyers home last Sunday afternoon.

Georgia May Reeves spent the week end with Iris Dooley.

Mr. and Mrs. Joe Crowley and Joyce moved from this community to Canyon this week.

Ronald Gene Burtz called at the Rayford Loudder home Saturday.

Week end guests of Mr. and Mrs. Dewey M. Foster were her sister, Mrs. Don B. Wright and children of Lakeview.

Mrs. T. S. Trowbridge is spending the week in Amarillo with her granddaughter, Mrs. Gertrude Patton.

Do your shopping in Canyon.

W. T. Students To Give Play March 25 and 26

"A love that never died! A loneliness that never passed!" Such was the life of Alison Stanhope, one of America's most beloved poets.

"Alison's House," a play based on the life of America's beloved Emily Dickson, is set on the banks of the Mississippi.

A Pulitzer prize winner, it is one of the moodiest plays ever produced at West Texas. It breaks forth in sadness, embellished with comedy, settles into gentle remembrance, then is jarred with anger, jealousy and tinges of hate that fades into love and forgiveness.

Father Stanhope (Prof. James Butler) adds memories, anger and forgiveness to the air of jealousy and coldness created by Louise who is portrayed by Nancy Colley.

Sadness and humbleness make up the character of Elsa Stanhope (Grace Rogers), the girl who threw Victorian views to the winds in order that she might live and love.

As the play opens, a poetic mood filtered with memories is created by Ann Leslie (Dorothea Harter), Stanhope's loveable secretary, and Richard Knowles (Joe Crisler), the poetic reporter, only to be shattered by the blundering comedy of Ted Stanhope (Red Weatherly.)

Agatha Stanhope (Inez Franz) adds secrecy and mystery to create puzzling and intensified situations.

Boredom and weariness precipitate from Eben Stanhope (Jack Hessey.) A weak character, but quick to defend what he believes right.

Tension is both eased and strained by the appearance of the uncouth, uncultured Hodges, (Joe Davidson, and Eileen McCall.

As a pivot for numerous moods and scenes is the excitable, almost hysterical maid, Jennie (Imogene Roberson.)

Susan Glaspell's "Alison's House" is the final production of the 1941-42 season. Nights of production are Wednesday and Thursday, March 25 and 26.

Mr. and Mrs. W. E. Miller and sons and Mr. and Mrs. M. E. Cleavinger spent Sunday at Spring Lake visiting in the N. F. Cleavinger home. N. F. is a son of Mr. and Mrs. Cleavinger.

Mr. and Mrs. Clyde Waggoner and children of Amarillo, Johnnie Plaster of Mobeetie, and Miss Faye Plaster of Clarendon spent Sunday visiting in the home of Mr. and Mrs. C. N. Plaster.

Sunday visitors of Mr. and Mrs. Tony Rossi were his parents, Mr. and Mrs. Joe Rossi of Tulia.

Brookfield Named All-American for 1942 Cage Team

"Pic" and "Colliers" Are Latest Groups to Honor Famous Forward

Price Brookfield is soon going to have more watches than a jewelryman's repair board!

The most recent announcement to that effect came with word that this West Texas State second-year All-American had been placed on Collier's all-star team. A watch will be forthcoming.

Last week "Brookie" was placed on Pic magazine's All-American basketball team. The remainder of this team is composed of Bob Kinney, center, Rice Institute; Doll of Colorado, Kotz of Wisconsin, and Burness of Stanford.

Members of the team were presented solid gold wrist watches and their pictures were carried in "Pic" last week.

Two weeks ago Brookfield received the timepiece awarded him for being Captain of the All-American quintet at Kansas City's National Intercollegiate tournament.

Part of the "Pic" story of its mythical five follows:

"These choices of the 'Pic' board of selectors, who will receive 14-carat, solid-gold, 17-jewel, shockproof—Golden Chief—Benrus wrist watches, are without peers when it comes to the basketball skills. They have height, scoring punch, drive, defensive acumen, and basketball finesse. But best of all they are team players, the real backbone of any dream team."

Panhandle-Plains Photo Salon Is April 1 to 15

The fourth annual Panhandle-Plains Salon of Photography will be held from April 1 to April 15, and will be sponsored by the Art and Journalism Departments of West Texas State College.

Those who have entered or plan to enter must have their prints in by March 29. The prints must be mounted on 16-20 mounts, placed vertically.

The Salon of Photography will be held in the art room of the Panhandle-Plains Museum in Canyon. Olin E. Hinkle, will be the exhibit director. One hundred prints from photographers of the plains section are expected to be entered.

The three things most difficult are—to keep a secret, to forget an injury and to make good use of labor.—Chilo.

Three Buffs On All-Conference Basketball Team

Announcement from Dr. E. L. Larson of Tucson revealed Sunday that the Buffaloes had dominated the Border Conference All-Star basketball team just as it did in conference play throughout the season.

Dr. Larson made public the all-conference team selected by vote of the loop's nine coaches.

On the first string were three players from West Texas State, which ploughed through its conference games without a single loss, winning most of the contests by top-heavy scores.

The first team: Price Brookfield, West Texas State, and Byron Gilbreath, Texas Tech, forwards; Charles Halbert, West Texas State, center; and Frank Stockman, West Texas State and Gerald Jones, Tempe, guards.

The second team was marked by the inclusion of three forwards—Jack Maddox, West Texas State, Don Lance, Texas Mines, and Bob Ruman, Arizona. Other places were taken by Newton Lassiter, Texas Mines, center; Elvis Erwin, Texas Tech, guard, and Chester McNabb, Tempe, guard.

Teachers' Right To Be Human Is Article Subject

"Are Teachers Human?" is the title of an article in The Texas Outlook for March by Miss Isabel Robinson, head of the W. T. department of art.

"I suppose the idea of fun and school teachers being so incompatible started back in the pioneer days of our country," Miss Robinson wrote. . . . "People will not let a teacher be a regular person, living a natural, normal life unless she plans and works definitely to make herself one of them, to keep herself human."

The article concerns this planned personality building on the part of the teacher. The necessity of meeting all kinds of persons sometimes means being human enough to make a grammatical error now and then. Hobbies and "outside activities" are recommended in the humanizing process. The conclusion of the article is a defense of loafing . . . "in spite of all the rushing about of one's friends." The result: a saner, more human sort of person and a real boon to society.

In a free country there is much complaint with little suffering: in a despotism much suffering but little complaint.—Giles' Proverbs.

Pupils Approach Foremost Goal

Sophomores Exceed Other Classes in Patriotic Poll

Nearing its destination of having 100 per cent of its student body knowing the National Anthem and Pledge of Allegiance, Canyon High School has increased its percentage in one week from 65 per cent who know the "Star Spangled Banner" to 79 per cent and has brought its 95 per cent to 98 per cent familiar with the Pledge of Allegiance.

Tenth Grade Leads

The tenth grade has the most outstanding record, holding a 54 per cent majority having memorized all four verses of the anthem. The six combined classes of high school have an average of 31 per cent knowing all of Francis Scott Key's famous composition.

Out of the 233 polls distributed by the Student-Faculty Congress and The Eagle's Tale Monday, only five were returned without the Pledge of Allegiance.

74 Know Four Stanzas

Seventeen high schoolers, who proved their knowledge of two verses, together with the 18 who correctly completed three verses and the 74 who quoted all four stanzas, compensated for the 48 pupils who were unfamiliar with the first verse.

"Of course we shall not be satisfied until we get 100 per cent of the student body behind this activity, but we are proud of the number who devoted their time to learning the 'Star Spangled Banner' and the Pledge of Allegiance," said Dan Cabe, editor of The Eagle's Tale.

Contestants Begin League Training

With the coming of spring, athletes of Canyon High Scohol are competing in the race for entry in the Interscholastic League to be held at West Texas State in April.

In the quarter mile run, Calvin Sanders, Joe Ziegler, Elwin Morton, Marvin Davenport and Billy Ray Crow test their ability while Marvin Albers, Louis Hinders, J. Ray Hunter, Eldon Garrison, Bobby Lyons, Earl Peppard and Jim Westfall compete in the mile run. For the 220-yard dash, Billy Brown, Bobby Dowd, Willie Railing, Lindsey Taylor and Bobby Lyons are working out.

Coming out for tennis are J. T. Harp, Clarence Thompson, Max Dutton, Lewell Johnson, Richmond Hales and Don Standley. Those shot putting are Billy Brown, Robert Avent; discus, Calvin Sanders; and high jump James Wright.

Calvin Sanders' record tops 60 seconds for the quarter mile while Jim Westfall ran a mile in six minutes, after a six weeks workout. The average for the 220 yard dash is 26 seconds with 22 seconds the record so far.

"Calvin Sanders and Billy Brown show best in the shorter runs, but all the boys are doing exceptionally well for the time they have worked out," commented Coach Wesley Cox.

Students are told by their elders every day of the great national debt and conditions they undoubtedly must face when they become taxpaying citizens and workers of their generation. If history repeats itself, this prophecy will become only too realistic; and with advanced certainty, one should prepare himself to assume responsibilities by forming his own opinions and seeking both views of any question.

Although Mr. Smith is an authority on all affairs doesn't mean one must agree with him on all matters of opinion. When someone relates an incident that is of human interest and "absolutely true," do you smile, undecided on your decision of the truth and allow that incident to imprint your mind? Or do you reason the facts of the story, no matter how insignificant it appears, and decide whether or not it is true before you pass it on?

As a tiny scratch can create a serious infection with the help of bacteria, so can you create or become an unconscious germ of an untrue movement.

Let's begin a habit of seeking the truth!

Pupils Present Safety Patrol Playlet

Fifteen members of Mrs. Stella Murrell's second grade presented for the Parent-Teachers Association meeting Monday evening, a playlet, "The Mother Goose Safety Patrol," by Rhea Bastone Lugg.

From left to right in the top row are Lyn Reid McKay, Jimmy Montgomery, Bill Vaughn Hancock, Truman Laughery, Archie Dean Davis, Dick Sanders and Lynn Owen Roades.

From left to right on the lower row are Melody Jones, Teddy Howell, Mary Lou Ely, Jimile Ann Jennings, James Cundiff, Dorothy McReynolds, Jane Kathryn Schramm and Janie Jennings.

PTA Organization Will Separate Group into Two Main Divisions

Association Elects Officers For Canyon Chapter

In order to facilitate more time to be spent on both the grade and the high school, the Parent-Teachers Association voted to divide the organization into two separate groups, the elementary P. T. A. and the high school P. T. A., Monday night at 8:30 o'clock.

Officers for the high school group for the school year of 1942 and 1943 are Mrs. Fred M. Stanley, president; Mrs. W. C. Black, vice-president; Mrs. Sanford Black, secretary; Mrs. P. V. Winstead, treasurer; Mrs. DuBois Walker, membership chairman; Mrs. George I. Taylor, finance and budget chairman; Mrs. L. D. Winn, hospitality chairman; Mrs. Dewey Foster, publicity chairman; and Mrs. Roy Campbell, study group chairman.

Elementary Officers

Selected to head the elementary P. T. A. were Mrs. E. J. Cundiff, president; Mrs. Ed Harrell, vice-president; Mrs. Ray McReynolds, secretary; Mrs. Ralph Harter, treasurer; Mrs. Ross Craig, membership chairman; Mrs. Dan Sanders, finance and budget chairman; Mrs. M. E. Cantrell, hospitality chairman; Mrs. Stella Murrell, publicity chairman; and Mrs. Harris M. Cook, study course chairman.

Delegates Elected

During the meeting a motion was moved that the outgoing and incoming officers be the delegates to represent the Canyon P. T. A. at the district Parent-Teachers Association at Panhandle, Texas.

Safety Play Given

Enacting Rhea Bastone Lugg's "The Mother Goose Safety Patrol," second grade pupils, supervised by Mrs. Stella Murrell, held the spotlight as Old King Cole organized Mother Goose Land into a safe place for the mythical folk to live.

While learning to dramatize this playlet, the pupils comprehended the practical application of the Safety First rules. Songs adding variety to the program were "Fire Engine," "Traffic Cop," "Safety First," "Flying Kites," and "Motor Car Ride."

Angel food cake and punch was served to the members and guests of the P. T. A.

Physical Education Class Is Now Slightly Baseball Batty

Batter up! resounds over the playground as the physical education boys come out for their baseball in a big way.

"The boys are practicing track and playing baseball as their regular physical education program," said Coach Wesley Cox.

Quarter mile relay races were run Friday afternoon as a special feature for the boys.

Feeding Out Broilers Will Be New Agricultural Project

Loyd Devin, agriculture instructor, received 577 baby chicks Monday, to feed out as a Future Farmer project.

Raising the chickens as a cooperative project, the boys plan to feed them out as broilers.

On the last cooperative project, raising hogs, the boys made $266.50.

For the past week members of the typing class have been typing from music of phonograph records to develop and improve their rhythm.

Art Pupils Paint Greeting Cards

Directed by H. W. Truitt, the art classes of Canyon Grade School are adding a new variety of work to the patriotic schedule.

Using stencils patterened with carnations and birds, the pupils employ the splatter paint method of picture-making. The white cards with the painted pictures are to be used in extending Mother's Day greetings throughout the nation.

"The pupils are to make 500 greeting cards to give to the war veterans in Amarillo," said Mr. Truitt.

Making a mural on the Ratification of the Constitution Parade, the art classes are telling a story in pictures of the parade that supposedly would have taken place in Philadelphia after the Ratification of the Constitution.

Led by one of the signers of the doctrine, a parade of floats, horse back riders, Indians and colonial signers are illustrated to show the extreme happiness of the people after the Constitution had been ratified.

In addition to these projects, Mr. Truitt also has supervised the invitations of the Parent-Teachers Association, which have been made by the art classes during the year.

FFA Boy Realizes Project's Profit

Harold Erwin, first-year Future Farmer of America boy, has realized a net income of $71.39 as compensation for a Pig for Pork Production Project.

Harold bought six pigs, the total weight amounting to 233 pounds. After Harold had fed the pigs for four months, the average weight was 235 pounds—or a total gain of 1410 pounds in four months.

At this rate, one pound of pork was put on for each three and one-half pounds of feed—an average gain of one and six-tenths pounds per day.

Total expenses, including self-labor, interest, rent, cost of feed and vaccination amounted to $118.20, while the pigs sold last week for $183.20.

From his earnings, Harold plans to invest the money in beef cattle.

"This boy's success in pig feeding was probably due to his feeding a well-balanced diet of skimmed milk and tankage, plus a protein supplement," said Loyd Devin.

Harold has, at this time, four other projects in operation: 15 acres of barley, three calves for beef production and one Hereford heifer.

Superintendent J. B. Speer, who was appointed two weeks ago to serve on the State Advisory Committee on Education and Defense, left Monday night to attend a meeting of the committee in Austin. Mr. Speer will return in time for the Northwest Conference of Teachers, which is to be held Friday in Amarillo.

Mother: "It says in the paper, dear, that every fifth baby born in the world is Chinese."

Father: "Thank heaven, this is our first."

Some praise at morning what they blame at night,
But always think the last opinion right.—Pope.

Society Accepts Journalists

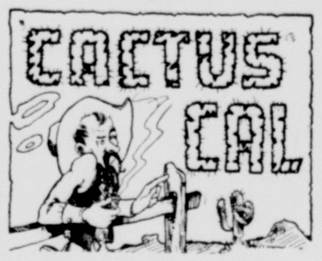
Dressing Room Is Pooch's Paradise

"Who the heck let that pooch into the dressing room, and take my shoe away from him while you're at it. You'd better look out, that's your sock that he's tearing the toe out of!" Such were the cries of grief as "Pooch" invaded the boys' dressing room Monday just as the track team was going out for practice.

"Pooch" is a white and brindle pup who is probably asleep this moment in the sock basket in the dressing room, dreaming up new stunts to pull on the speedsters.

When he was interviewed Monday, "Pooch" had just discarded a fresh sock (that is, fresh from an unknown foot) for a sanitary sock which was presented him by an admirer of the canine family. Quoting "Pooch," "What this place needs is free meals for all my pals and buddies."

Still chewing on a "fresh" sock, "Pooch" also asked me to remind his many friends in high school that he would appreciate their visiting him. If any of his girl friends in high school visit him, a similar circumstance must have originated the saying, "Oh, for a dog's life."



Jackie Brian looked very well in a road-tan Thursday in the Senior Play—he never can get a real one, though, riding in a 1940 deluxe coupe with two red-heads and a brunette from Amarillo, and Joe Ziegler and Wayne Wirt.

Barbara Michael and Martha Hannah Hammond are patriotic. Anyway, they show friendly relations with a couple of boys in Channing.

The band has a wonderful new addition which probably will assure its winning the contest— Frances Alice Harp now plays at the oboe.

The boys should take notice of Beulah Hammond and Margaret Tate. If they look like they did in the Senior Play, in about 20 years, it will be all right.

Billy Gano, the man about town, has now become domesticated. Good work, Mattie Garrison!

EXES ODE

Oh carry me back to my old school days,
To the noon-hour, jacks and crazy class plays;
I'd even stay in study hall,
If I could hit that teacher
With a big spit-ball.
I want to sit on the radiator
And talk to the kids that are passing by;
I want to play some hot football
And hear the pep squad give the victory cry.
It is grand to be grown in our great nation,
But compared to work now,
High school's a vacation.

Martha Lee Foster is full of woe 'Cause Vaughn Vandergriff's visit was just come and go.

Some boys and a coke
The Senior Play and a joke
And Dan Cabe got kissed—
By a jovial miss.

WHO'LL WIN THIS WAR?

By Lila Mae Lill

I wonder if God knows
Who will win this war?
And which side He's against,
And which one He's for.

How do we know
This great answer?
All we can do is hope.
Meanwhile, trust in Him—
Killing enemies on the lope.

You can be sure
That He's for the best,
But we think we're that;
Also, our enemies feel blest.

It isn't the amount of money
That will win our war,
But the number of bombs
That we drop on our enemies heads,
Making 'em sore.

I'd put my bet on the Americans,
A thousand to one;
But that won't win the war—
Won't give us any fun.

We must put our trust on Him;
He'll take care of us and ours,
And help us this war to win—
Maybe limit the tortuous hours.

Canyon Quill and Scroll Members

Quill and Scroll members for this year as selected by The Eagle's Tale adviser and Principal J. F. Dickson are standing, left to right: Dan Cabe, Gordon Lynn Dickerson, Mrs. Carl T. York, sponsor, Johnny Harter, Clarence Thompson and James Thomas Harp.

Sitting are Martha Jean Dowd, Grace Robinson, Peggy Bishir, Shirley Harrell, Anita Davis, Polly Winstead and Ermin Winningham.

Student-Faculty Congress Expresses Wish to Improve School Conditions

Appointment of committeees to find new projects to improve the grounds and the buildings, to change material on the bulletin board, to further the selling of Defense Stamps and to select a school motto, creed and flower was made by Gordon Lynn Dickerson, president of the Student-Faculty Congress, in a meeting, March 11.

Heading the committee to find new projects is chairman Carolyn Black, who is assisted by Sandy Oliver and Oscar Schuette. On the grounds and building committee are Chairman Mildred Gill, John James Harter, Fawn Rogers and Merle Dickerson. Appointed to take care of the bulletin board was Georgia Faye Holt. Charlie Farley and Betty Ann Miller will assist Chairman Dick Woods on the committee appointed to further the selling of Defense Stamps. Chairman Evelyn Black will be assisted by Mildred Gill and Oscar Schuette in the selecting of a school motto, creed and flower. John James Harter was appointed to find a copy of the school song adopted about two-years ago.

Reporting on the progress of air raid drills, Oscar Schuette said that he had a record of the number of students and teachers to be stationed on each floor during an air raid.

Sophomores Plan Comedy Show

If you want to see a back-state farmer "outsmart" a "city slicker," watch The Eagle's Tale for more news about "Aaron Slick from Punkin Crick," a non-royalty play to be given by the Sophomore Class.

"Beale Cornmack's play is written especially for small stages and is so fully described that it may be given anywhere by amateurs. The dramatic scenes have plenty of funny actions and lines interspersed," Olin Huff, sponsor, expressed in confirmation with the play catalog.

"'Abie's Irish Rose' with 2,000 odd performances, rolled up Broadways all-time endurance record; but it is a piker compared with 'Aaron Slick from Punkin Crick!' This greatest of all rural comedies has been staged over 25,000 times. It has been seen by more people than have all Broadway productions put together for the last five years."—Life Magazine.

"Tryouts for the seven characters will be this afternoon after school," announced Mr. Huff.

Nine Homemakers Will Make Frocks for Special Occasion

Following a brief review of the principles of clothing selections including color, design, fabrics and occasion, the third-year homemaking girls will continue the tradition of making special occasion dresses each spring. The nine girls in the class may choose between an evening dress and party or afternoon frock.

Since the government is emphasizing thrift, the pupils have the privilege of working over a ready-made garment instead of constructing a completely new costume. After three years of study, these students hase "been exposed" to almost every principle of sewing and may select any material and pattern that is suitable.

FFA Changes Hours For Cabe's Benefit

"I move that we change the number of hours in a day from 24 to 25 hours and three minutes so that Dan Cabe may have enough time to get to school and still get his beauty sleep" was the startling speech made by Jackie Brian in the assembly program given by the Future Farmers of America, Friday 13, in the Canyon High School auditorium.

After a prolonged discussion, the boys decided to write to our representative in Congress to introduce a bill providing for another hour of sleeping time for Dan.

The program, supervised by Loyd Devin, F. F. A. instructor, demonstrated to the student body the business procedure of the F. F. A.

After making announcements, J. F. Dickson, high school principal, turned the program over to Dick Woods, vice-president of the Student-Faculty Congress, who relayed the program to Billy Brown, speaker of the F. F. A.

The program consisted of a regular F. F. A. business meeting, a definition of the duties of the officers of the organization, and several musical numbers on the guitar, violin and mandolin played by Harris Brown, Wayne Trout and Bert Brown.

Canyon Teachers Will Attend Northwest Education Meet

Teachers from the Canyon Public Schools will attend the Northwest Texas Conference for Education in Amarillo, March 20 and 21.

Registration begins at 8:30 o'clock Friday morning in the Municipal Auditorium. "Educating for a Better World" is the theme to be carried out in the program for District 9.

Conference committees, addresses, general sessions and sectional meetings are to be carried out in the two day session.

This holiday for the pupils will take the place of the regular April 1 holiday and will be the last vacation before school is out.

Six Additional Players Better Instrumentation and Balance

Six new faces appear in the band room every morning as the members practice from 12 until 1 o'clock.

Patsy Wood, Dorothy Gafford and Dana Persons have added their services to the six regular musicians who have been carrying the full load of clarinet work while Frances Alice Harp harmonizes on the oboe. Jack Drake helps complete the cornet section of eight members, and Leroy Wooten lends the trill of his flute to that of Shirley Harrell's.

"These new additions help fill out our instrumentation, thereby bettering the balance of the band," commented Harold Barnett, director.

Krabbe and her family Sunday. Mrs. Krabbe was not feeling well at the time.

Martha Hannah Hammond was a week end guest of Barbara Michael.

"There goes Mrs. Jones. You never hear a word of scandal about her."

"Why? Doesn't she have any friends?"

Sponsor Selects New Members

Edward Nell Commends Quill and Scroll Entrees

Membership cards and pins for eight new members accepted into Quill and Scroll, International Honorary Society for high school journalists, arrived Tuesday, March 10.

To be qualified for the society, the students had to be in the upper third of their class, to do some outstanding work on the paper or to be on the editorial staff, to have 110 inches and 20 headlines published during the year and to be recommended by the adviser.

Nell Recognizes Students

Quoting Edward Nell, executive secretary of Quill and Scroll, the following paragraphs appeared in the letter received by Mrs. Carl T. York, sponsor:

"First and foremost among this group, it seems, is Johnny Harter, the only hold-over from last year. Johnny is to be warmly commended for his outstanding production record of more than 260 inches and 164 heads and for the exceptional versatility he has displayed as star reporter, typist, proofreader, acting business manager and all around handyman. Here is a lad who would be an asset to any staff.

"Our kudos, especially, to Grace Robinson for a notable performance as reporter, copyreader and assistant editor; to Shirley Harrell who has made her presence felt by her particularly good work in the editorial and feature field; and to Peggy Bisher, A-1 general reporter and proofreader.

"A well deserved word of praise, also, to Pauline Winstead, Ermin Winningham and Martha Jean Dowd who have given so generously of their time and talents on news stories and headlines, and to Anita Davis for the many extra hours she has so cheerfully given as staff typist."

Magazine Is Extra Award

In addition to cards and pins, the students will receive a subscription to the Quill and Scroll magazine, beginning with the April-May issue.

Mrs. York will receive her special faculty Life Membership card in a few days.

Initiation Began Tuesday

Initiations of the new members began Tuesday afternoon and will last the remainder of the week. The old members still in Canyon High, who are in charge of the initiation, are J. T. Harp, Dan Cabe, Gordon Lynn Dickerson and Clarence Thompson.

The service record of these journalists is as follows: J. T. Harp and Gordon Lynn Dickerson, three years: Dan Cabe, two years; and Clarence Thompson, one and one-half years.

Public School Teachers Begin Duties for District Meeting

Preparations and plans are being made for the annual Interscholastic League to be held at West Texas State College, April 17 and 18.

The following duties have been assigned to Canyon Public School teachers: Declamation, Typewriting and Shorthand, Olin Huff; Extemporaneous Speech, Spelling and Plain Writing, Miss Pratt; Ready Writers Contest, Mrs. Guy Tabor and Mrs. Carl T. York; Music Memory, Choral Singing, Picture Memory and Story Telling, Miss Elva Fronabarger; Number Sense, Miss Grace Clark; Journalism, Mrs. Carl T. York; Boys' Tennis, Track and Field, Wesley Cox; Girls' Tennis and Volley ball, Miss Helen Whiteside.

The entries to date are Billy Jane Bonifield and Helen Jo Cox for Declamation; Letha Day Parrish for Typing; and Vada May Parrish for Essay Writing.

Patriotic Members Complete Clipping Books and Squares

Meeting every Monday, the Patriotic Club of the 6-A is contributing to the Red Cross in an organized way. Officers Joan Morton, president; Easton Wall, vice-president and Billye Gill are revealing their leadership as the 6A has completed 60 clipping books, 54 knitted afghan squares and 25 book marks. One Monday in a month is devoted to a patriotic program and the remaining Mondays to work.

Future plans include making a mural representing the patriotic songs of America, a pledge to master each day's assignment to the best of his ability and to buy Defense Stamps.

Baptist Meet This Week-End

Baptist students of West Texas State College will be hosts to the Baptist Student Union Plains Conference Friday, Saturday and Sunday.

This is an annual meeting of the Baptist students of this section of the state. The place of the meeting is changed each year alternating among the colleges included in the conference. This year, the students of Texas Tech, Wayland College, Hardin-Simmons and perhaps one or two other colleges that have been invited to visit, will come to Canyon.

One of the outstanding features of the program will be the unique type of devotionals to be brought by Miss Mary Alyce Martin, student at Hardin-Simmons University. Miss Martin uses the method which was originated and had been used many times on the southwide programs by W. D. Kendall of the Art department of the Sunday School Board. This type of visual devotional is done by spraying paint on canvas rather than with the use of chalk as in chalk-talks.

Lattimore Ewing, student secretary at Texas Tech will lead a conference Saturday morning for the devotional chairmen and will speak on "Supreme Allegiance at Testing Times."

Devotional will be presided over by the B. S. U. presidents from the participating colleges. Friday evening, Bob Foley of Hardin-Simmons will preside; Saturday morning Buddy Jones of Wayland College will preside; Saturday afternoon, Imogene Roberson of West Texas State will preside; and Saturday evening Albert Bartel of Texas Tech will preside.

Dr. W. R. White, president of Hardin-Simmons U. will bring the keynote address Friday night at the opening session.

Rev. J. W. Marshall, Texas State Secretary of Baptist Student work, will be one of the Conference program. Frank Bounds, student at Texas Wesleyan College in Fort Worth and State B. S. U. President, will lead the Sunrise service Saturday, will assist in a conference for presidents and student secretaries, and will speak Saturday night on "Supreme Allegiance in a State B. S. U. Program."

"Wear-Every Where" Woman's Coat

HERRINGBONE TWEED
$7.90 to $24.75
Wonderful "wear over everything" coat for women in the new pastel herringbone tweed! Expensive stitched detailing—neat pockets! Budget-priced, too! 36-44.

Umbarger Items

Mr. and Mrs. Raymond Batenhorst are the proud parents of a son, born March 14.

The children of the Umbarger School have now purchased $75 in Defense Stamps.

Anton Handing was a dinner guest in the home of Mr. and Mrs. Louis Wieck Sunday.

Mr. and Mrs. George Venhaus and family and Mr. and Mrs. Herman Hollenstein were dinner guests in the home of Mr. and Mrs. Meinrad Hollenstein Sunday.

Mrs. James Langford and children visited Mr. and Mrs. A. J. Lindemann Sunday afternoon.

Mr. and Mrs. Henry Bracht and children visited in the home of Mr. and Mrs. C. N. Diller Sunday evening.

Mr. and Mrs. Vincent Friemel and Mr. and Mrs. Sylvester Batenhorst were dinner guests in the home of Mr. and Mrs. John Batenhorst Sunday.

Mr. and Mrs. Ben Bucker and family were dinner guests in the home of Mr. and Mrs. Eugene Frische Sunday.

Those exchanging visits Sunday were: Ormalene Brockman and Teresa Ann Beckman; Leo Artho and Eugene Frische; Irene Artho and Clara Frische; Joe Artho and Godfred Frische.

Lakeside News

Martha Jean Avent spent the week end with Margaret Lair.

Mrs. Jewel Davis, George and Doris, Mrs. Minnie Watson, and Miss Maggie Avent spent Sunday in the Tom Lair home.

Mr. and Mrs. Harold Byars visited Mr. and Mrs. Marshall Rockwell, Jr., Friday evening.

Dorothy Graves spent Sunday with Jo Kathryn Hill.

Mrs. Tom Gerald went to Tulia Saturday.

Mrs. J. T. Ethridge of Colorado visited Jean Jerman Sunday.

Mrs. Pearl Dilday of Amarillo visited Mr. and Mrs. Albert Byars Sunday evening.

Jimmy Hise spent Saturday with his parents, Mr. and Mrs. J. K. Hill.

The Hogge family has moved to Canyon.

The Lakeside community will be betterprepared to cope with a real blackout since the electricity was off Thursday evening until about ten thirty while the line was being repaired.

Wayside Items

Sunday was Rev. Hugh Blaylock's regular appointment.

Mrs. D. L. Adams called on Mrs. Ida Sluder and Mrs. Counterman in Happy last Wednesday afternoon.

Mrs. Bessie Lane was taken sick last Wednesday night and was taken to the hospital and operated on Thursday morning at 11 o'clock for appendicitis. She was resting very well last report.

Mr. and Mrs. Loys Gillham of near Amarillo have a new boy at their home.

Roy Franklin and family of Canyon visited over the week end in the parental W. R. Franklin home.

Willie Modisette left Friday for Ft. Sill, Okla., to enter training at the army camp there.

We are glad to welcome Mr. and Mrs. John Patterson and three little girls to join our Sunday School.

Let's explore the possibilities

IN TIMES OF PEACE the choice was yours. You could decide whether you wanted to trade-in your car every year or two . . . or whether to give it the kind of care which would make it last for many years.

That choice exists no longer. Every patriotic citizen must make his car last longer.

Since no car can ever be any younger than its motor, you must explore every possible way of saving wear and tear. So keep the following facts in mind when you are deciding which oil to use:

Phillips refines many oils, because car owners' requirements vary as much as their cars and their pocketbooks. But if you want our **best oil,** you need have no doubt, because Phillips frankly tells you that **Phillips 66 Motor Oil is our finest quality** . . . the highest grade and greatest value . . . among all the oils we offer.

Replacing winter-worn lubricant? Making the regular 1,000-mile change? Specify Phillips 66 Motor Oil.

BETTER BABY YOUR MOTOR

NOTICE TO Car Owners!

It is necessary that you bring photostatic copy of certificate of title with you when you come to obtain your car license.

WE CANNOT ISSUE 1942 LICENSE PLATES WITHOUT THIS CERTIFICATE

1942 Motor Vehicle Licenses are now due and must be paid between now and April 1st. License plates can be placed on your car now, and we urge you to purchase them early in order to avoid such a rush at the last moment.

Car owners driving motor vehicles with out-of-county license for 1941, MUST present 1941 car license receipt.

For the convenience of those living in the north part of Randall county an office is maintained at 3401 Tyler Street, Amarillo, in charge of Deputy Capt. R. M. Allred. Citizens of that part of the county are urged to get their license plates of Capt. Allred.

New drivers must secure and carry a drivers license, examinations for which are given by State Highway Patrolmen each Monday and Friday mornings in Canyon.

She Depends On You

Just as your child depends on you for everything — so does your Country. Your child depends on you for protection—so does your Country.

We must ALL do everything within our power so see that Our Country is protected. One of the best ways we can do this is to put our Dollars to work for Our Country by BUYING U. S. DEFENSE STAMPS AND BONDS . . . MAKE EVERY PAY DAY BOND DAY!

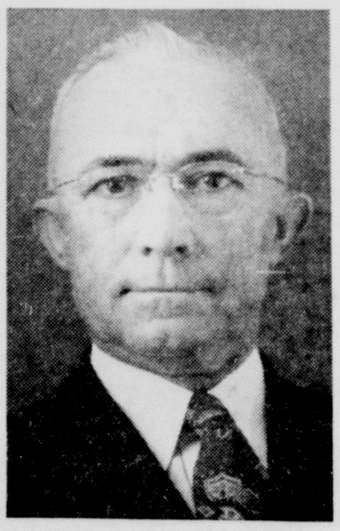
Methodist Revival



REV. C. C. ARMSTRONG

A new period has been set aside this year for Spring Revival Services at the Methodist Church. The pre-Easter evangelistic services open on Palm Sunday, March 29 and will continue for one week, concluding with the Easter Sunday service, April 5.

All preaching for the entire week will be done by the pastor, Rev. C. C. Armstrong with music under the direction of the Church choirs.

Commenting upon the needs of the revival at this time, Rev. Armstrong stated that "it is to be a revival within the church" which will be of great benefit to all members of the church who join in the spirit of the occasion."

People of the community are invited and will be welcome at all services during the Evangelistic Pre-Easter meeting. Make your plans now to attend.

Pierce News

Mrs. D. Bales is visiting her mother.

Mr. and Mrs. O. J. Grabbe and W. M. Grabbe visited Mr. and Mrs. S. McCraw Tuesday.

Mrs. W. H. Boling of Belen, New Mexico visited the John Boling family Friday and Saturday. T. H. Boling returned home Friday from a visit with his son, W. H. Boling and family.

Jim Boyd visited his aged father at Corsicana last week, who has been ill for some time.

The attempted snow storm Tuesday morning blew out in a few hours and fine weather followed. Tractors are moving for spring plowing.

Do your shopping in Canyon.

Tierra Blanca
